

Introducing our trusted
and **high-quality**
payment processing
partner.

**The Genesis PPG team takes
the time to get to know our
clients.**

When you work with the Genesis PPG team, you will work with a partner who will help you reach your goals, no matter how much time it takes.

**Client data is safe and
heavily guarded with
Genesis PPG.**

Banks, CPA firms, and insurance brokers trust us with their clients' data. With advanced encryption technology, we exceed standards set by the payment processing industry.

**Top-notch service with a
commitment to excellence.**

No one takes customer service as seriously as our team. From our certified payments specialists, our on-staff CPA and IRS tax liaison, and our leadership, our clients always have help available.

Tioga State Bank & Genesis PPG have partnered to offer all our banking customers a high-quality payment processing option.

When it comes to payments, we understand you have many choices. The large providers treat you like an account number, and the small providers may not have the capabilities your business needs.

Welcome to the Genesis PPG difference.

We are a NYS based payment processing company with the technology & skill of a large provider AND the familiar NY service you can trust.
