The instructions and requirements on how to give the order are properly followed;

The order is correct and complete (for example, if the order is to make a payment, the order includes the correct name and address of the payee of the payment, the correct account number of the account to which the payment is to be made and the correct amount of the payment); and

The transfer or payment would not be subject to any limitation.

Examples of exceptions to our liability are as follows:

We do not receive the order;

Before the order is to be charged against the account from which the transfer or payment is to be made, your right to use Tioga State Bank Online or the feature of Tioga State Bank Online involved in the transfer or payment is canceled;

When the order is processed or is to be charged against the account from which the transfer or payment is to be made, we in good faith believe that the order was given without your authorization (for example, because any of your identification numbers has been reported as lost or stolen) or is fraudulent;

The order is to make a transfer of funds and, before the order is to be charged against the account from which the transfer is to be made, either that account or the account to which the transfer is to be made is closed;

The order is to make a payment and we do not receive the order in time to allow us to make the payment and allow the payee of the payment to properly credit it by the date on which it is to become due, we make the payment in time to allow the payee to properly credit it by the date on which it is to become due but the payee fails to do so or, before the order is to be charged against your payment account, your payment account is closed;

The order is to make a transfer of funds or payment from a deposit account and through no fault of ours, when the order is processed or is to be charged against the account, the amount of the transfer or payment exceeds the amount of money available for withdrawal from the account (taking into consideration, if the account is tied to a line of credit account or other overdraft facility with us, the amount of credit available under the line of credit account or other overdraft facility);

 **Tioga State Bank**
Online Banking Services Agreement

The order is to make a transfer of funds from a line of credit account and through no fault of ours, when we process the order or when the order is to be charged against the account, the amount of the transfer exceeds the amount of credit available under the account;

When the order is processed or is to be charged against the account from which the transfer or payment is to be made, money in the account is subject to any legal process (for example, a tax levy, a subpoena or an order providing for restraint, attachment, garnishment or execution) or administrative hold restricting its removal from the account, is collateral for a loan or other extension of credit or is the subject of a dispute or legal proceeding;

When the order is given, Tioga State Bank Online or the feature of Tioga State Bank Online involved in the transfer or payment is unavailable because maintenance work is being performed on it;

We are prevented from making the transfer or payment by a technical malfunction and when the order is given, the individual giving it knows that Tioga State Bank Online or the feature of Tioga State Bank Online involved in the transfer or payment is not functioning properly;

An occurrence beyond our control (for example, a fire, flood, failure or malfunction of any computer or telecommunications equipment, delay or loss of mail by the postal service, act of war or terrorism or governmental action or inaction) prevents us from making the transfer or payment despite our exercise of reasonable care to prevent the occurrence and our exercise of diligence to make the transfer or payment despite the occurrence; and

Our failure to make the transfer or payment is justified by any provision of this agreement, by any provision of any other agreement between you and us concerning any of your deposit accounts, any of your loan accounts, any line of credit account or other overdraft facility with us to which any of your deposit accounts is tied or transfers of funds or payments to or from any of your deposit accounts, any of your loan accounts or the line of credit account or other overdraft facility or by applicable law.

If we are liable for any damage you suffer as a result of our failure to make the transfer or payment on time and in the correct amount, we will be liable for actual damages only and not consequential or punitive damages if the failure was not intentional and resulted from a bona fide error despite our maintenance of procedures reasonably adapted to avoid the error.

In either case, you will be liable for any fee applicable to the withdrawal or attempted withdrawal of money from the account in excess of the amount of money available for withdrawal from the account. But, if we refuse to make the transfer or payment, we may, but we will not have to, attempt to make it on a later business day of ours.

We may, at any time and without any notice to you or your administrator, refuse to honor any order to make a transfer of funds or payment given through Tioga State Bank Online if the order reasonably appears to us to be fraudulent or erroneous.

If an order to make a transfer of funds or payment given through Tioga State Bank Online contains an inconsistency in the name and account or other identifying number of an account or payee, financial institution or other party, we may, but we will not have to, treat the number as controlling and rely on the number in processing the order.

If any of your deposit accounts is a savings account or money market investment account, during any monthly period at the end of which we review the account there may be no more than six transfers of funds from the account that are:

If the payment is to be made by an electronic transfer of funds to the payee, up to three of our business days after the day we receive the order if that day is a business day of ours, or up to three of our business days after our first business day after that day if that day is not a business day of ours, will be necessary to allow for processing of the order so that the payment is received by the payee by the date it is to become due. Any order to stop the payment of a check given through E-Cash Management will be subject to our general rules concerning orders to stop the payment of a check, except that the order need not be confirmed in writing. If the order is not in writing, we may require you to provide a written confirmation of the order to us so that we receive the written confirmation within 14 days after the date the order is given to us. In that case, the order will cease to be binding on us 14 days after the date it is given to us unless we receive the written confirmation during the 14 days. However, even if we do not receive the written confirmation during the 14 days, we may continue to follow the order even though it is no longer binding on us. REMOTE DEPOSIT ANYWHERE

This Agreement contains important terms and conditions which govern the RDA service. Other agreements you have entered into with Tioga State Bank, including the Depository Agreement and Disclosures governing your Tioga State Bank account are incorporated by reference and made a part of this Agreement. You understand and agree that by using the RDA service, you are accepting the terms and conditions of this RDA Agreement and that your use of your Username and Password will be considered the same as your written signature in authorizing us to complete any transaction or request communicated to us.

The RDA service is designed to allow you to make deposits to your checking or savings accounts at Tioga State Bank from home or remote locations by scanning checks using your mobile access device and delivering the images and associated deposit information to Tioga State Bank.

Your use of RDA constitutes your acceptance of this Agreement. This Agreement is subject to change from time to time. We will send all notification of material change by mail or secure email. Your continued use of RDA after such notification will indicate your acceptance of the revised Agreement. Further, Tioga State Bank reserves the right, in its sole discretion, to change, modify, add, or remove features or functions of the RDA service. Your continued use of RDA will indicate your acceptance of any such changes to the Service.

We do not guarantee functionality of the RDA service on all wireless communication devices. When using the RDA service, you may experience technical or other difficulties. We cannot assume responsibility for any technical or other difficulties or any inconvenience or losses you may experience as a result. If the RDA service has qualification requirements, we reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the RDA service, in whole or in part, or your use of the RDA service, in whole or in part, immediately and at any time without prior notice to

you. We may elect to discontinue RDA at any time. We may deny you access to RDA for inactivity if you do not make use of the Service for an extended period of time. If we choose to discontinue RDA, we will make reasonable efforts to provide you with reasonable advance notice.

RDA PROCESS: In order to use RDA, you must obtain and maintain, at your own expense, compatible hardware and software as specified by Tioga State Bank from time to time. You are responsible for providing your own hardware and software (“Access Device”) to access RDA. You are also responsible for the charges of any wireless network or internet service provider you may utilize in accessing RDA.

You acknowledge that at any time, the hardware and software you use to access RDA may be subject to unauthorized tracking, interception, corruption, diversion or other manipulation by “spyware” or other malicious code. We are not responsible for detecting the existence of any such malicious code, or for advising you of its existence or potential effects even if we become aware of it, and your use of your hardware and software to access RDA is at your sole risk and expense. We reserve the right at all times and without advance notice to you to take actions to protect our systems and information, including denying you use of RDA.

In using RDA, you agree to scan and remotely deposit into a deposit account as described in the Deposit Agreement, which is incorporated by reference and made a part hereof, only checks (“Checks” or “Items”), as that term is defined in Federal Reserve Board Regulation CC (“Regulation CC”). If you deposit such an item, you agree to reimburse us for any losses, costs and expenses we may incur associated with warranty or indemnity claims. If you provide us with an Image Replacement Document of a substitute check for deposit into your account instead of an original Check, you agree to reimburse us for losses, costs and expenses we incur because the substitute check resulting from the Image Replacement Document does not meet applicable substitute check standards and/or causes duplicate payments.

You agree that using RDA to transmit an image of a check to Tioga State Bank for deposit to your account shall be deemed the presentment of an “item” to Tioga State Bank for payment within the meaning of Article 4 of the Uniform Commercial Code and you warrant that:

- a) The item is eligible for deposit using RDA;

The legibility of the image of an item transmitted to us shall be determined in our sole discretion. Without limiting the foregoing, the image quality of the item must comply with the requirements established from time to time by Tioga State Bank, the American National Standards Institute (ANSI), the Federal Reserve Board, and any other regulatory agency, clearinghouse or association.

We reserve the right to reject any item transmitted through RDA, at our discretion, with no liability to you. We are not responsible for items we do not receive or for images that are dropped during transmission. By using RDA, you accept the risk that an item may be intercepted, altered or misdirected during transmission. Tioga State Bank bears no liability to you or to others for any such intercepted, altered or misdirected items or information disclosed through such errors.

An image of an item shall be deemed received by Tioga State Bank when you receive via email on your Access Device or otherwise a confirmation from Tioga State Bank that we have received the image. Upon your receipt of a confirmation from Tioga State Bank that we have received an image of an item, you agree to prominently and indelibly mark the item, “Electronically Presented” or “VOID” and to properly secure the item to ensure that it is not re-presented for payment. You agree never to re-present the item. You agree to retain the item for at least 60 calendar days from the day on which you receive or have access to your applicable Tioga State Bank account statement and until any suspected error in processing the item is resolved. During that period, you agree to promptly provide the item, or a sufficient copy of the front and back of the item, to Tioga State Bank as requested to aid in the clearing and collection process, to investigate suspected errors in your account statement of which you notify Tioga State Bank, to resolve claims by third parties with respect to the item, or for Tioga State Bank’s audit purposes. After such period, you agree to destroy the item in such a manner as will render it incapable of further transmission, deposit, or presentment.

Upon acceptance of an image, we shall grant your account Provisional Credit, defined below, for the amount of each image on the following business day. “Provisional Credit” means that the credit is made to your account subject to final payment of the items and subject to the terms of the Deposit Agreement.

FUNDS AVAILABILITY. Funds from items deposited through RDA will be available according to the Tioga State Bank Funds Availability Policy, as amended from time to time. The funds availability policy is available at any community office of Tioga State Bank for your review.

LIMITATIONS. You may scan and submit check images for deposit to Tioga State Bank within the dollar limits (“deposit limits”) and number of items per business day limit established for you by Tioga State Bank. These dollar and number limits will be communicated to you when you are approved for the Service. From time to time, we may establish or change limits on the dollar amount and/or number of items you may deposit using RDA during specified time periods. If you attempt to initiate a deposit using RDA in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, our acceptance of such deposit will be subject to the terms of this Agreement, and we will not be obligated to allow a deposit in excess of applicable limits at any other time.

BUSINESS ACCOUNTS. The following information is applicable to business accounts. “Business accounts” mean sole proprietorships, partnerships, limited liability companies, corporations, and other forms of business organization that are not “consumer” accounts and are not maintained primarily for personal, family, or household purposes. You represent to us that the use of Tioga State Bank Online by your administrator, any additional user or anyone else your administrator or any additional user allows to have any of your identification numbers or to use Tioga State Bank Online in any way will be primarily for business purposes rather than personal, family or household purposes. You acknowledge that you will not have any right that applies under applicable law to deposit or credit accounts established primarily for personal, family or household purposes but not to deposit or credit accounts not established primarily for personal, family or household purposes (for example, the right to limited liability for unauthorized use of an internet banking service). Nothing in this agreement, any statement for any of your deposit accounts or any of your line of credit accounts that we send you or otherwise make available to you or any notice or other communication or document that we send you (for example, the use of a term defined in the Electronic Fund Transfer Act or the Truth in Lending Act or the giving of a notice required by the Electronic Fund Transfer Act or the Truth in Lending Act) will give you any right that applies under applicable law to deposit or credit accounts established primarily for personal, family or household purposes but not to deposit or credit accounts not established primarily for personal, family or household purposes.

YOUR ADMINISTRATOR. You represent to us that your administrator has an unrestricted right to act alone to withdraw funds from each of your deposit accounts (for example, by signing a check written on the account or a withdrawal form for the account) and to obtain credit under each of your line of credit accounts. We may rely on the authority of your administrator to act on your behalf in connection with Tioga State Bank Online (for example, by giving any order designating any additional user and limitations on the authority of any additional user to give any order terminating, or changing any limitation on, the authority of any additional user to give any order designating any other individual as your administrator, choosing any of your identification numbers and requesting that any of your identification numbers be rendered ineffective) until we receive from any authorized party and have a

reasonable time to act on a notice that your administrator is no longer authorized to act on your behalf in connection with Tioga State Bank Online.

ADDITIONAL USERS. Monitoring whether any additional user is acting within his or her authority to give orders is the responsibility of your administrator, and we may rely on the authority of any additional user to give any order as long as the order complies with the limitations set by your administrator on Tioga State Bank Online for orders initiated by the use of the customer identification number of that additional user.

SECURITY PROCEDURES. You acknowledge that the use of any of your identification numbers to verify that any order that is given through Tioga State Bank Online has been given by you or on your behalf is a security procedure that is commercially reasonable for you. Your administrator and each additional user must keep confidential your identification numbers and all information relating to any other security procedure referred to in this section, not reveal any of your identification numbers or any of the information to anyone not authorized to use Tioga State Bank Online and notify us of any unauthorized disclosure or use of any of your identification numbers or any of the information. Box 386, Spencer, NY 14883, Attention: Electronic Banking Department. If an order to us to make a transfer of funds by an electronic transfer of funds through an automated clearing house to or from a deposit account maintained by you is given to us through E-Cash Management without your authorization and neither the deposit account from which the transfer is to be made nor the deposit account to which the transfer is to be made is maintained by you with us, you will lose any right to make any claim against us based on the unauthorized transfer unless your administrator notifies us in writing of the unauthorized transfer within 14 days after the date the order is given to us.
